

OUR STORY

The Mess & Barracks is the culmination of a long-held vision by the Ararat RSL, and in 2023, that dream became a reality with the acquisition of the historic Courthouse Hotel. This unique space is crafted with one purpose in mind: to serve as a welcoming haven for veterans and the incredible community that stands by them. Here, we offer a place where you can come together, share stories, and forge new memories. It's a space designed not just for our veterans, but for the next generation to find connection, support, and camaraderie.

The Ararat RSL has always been committed to fostering a sense of community that extends far beyond its walls. With The Mess and Barracks, we are proud to take that mission to the next level. This is a place where friendships are built, laughter is shared, and everyone—whether local or visiting from beyond the region—feels like family.

"The Mess" is our dining area, where great food and conversation are always on the menu. "The Barracks" offers comfortable accommodations for community members, visitors, and veterans alike. We can't wait to see this space become a vibrant hub for connection, storytelling, and unforgettable experiences.

Thank you for joining us on this exciting journey. We look forward to creating lasting memories with you, your loved ones, and all who walk through our doors. Welcome to The Mess and Barracks!
